experience. In addition, I appreciate the Guided View ² technology ³ that focuses and expands the individual panels, ensuring an intuitive reading experience on iPhone and iPad. I also love the ³-list option that keeps my TBR list organized. I love that it works exceptionally well with PDF files, making them easy to read. In addition, you can customize your experience with multiple fonts, adjustable leading, margins, page animations, and screen brightness. They make it easy to read anywhere, anytime, without the need for a separate ³ reader device such as a Kindle, Kobo or Nook. Pros Impressive cat² Supports multiple devices² Compatible with CarPlay² Cons Book filters need to be refined Price: Free download 9. But if you want to get free books, you can try Kindle Unlimited, which gives you unrestricted access to a range of ebooks at an affordable monthly price.
